

2014 NOSORH ANNUAL MEETING
Omaha, Nebraska

Changing Landscape: EMS
Don Wood
Utah SORH

Nothing Constant but Change

- The evolution of EMS
- From the 1966 White Paper
- To the Creation of the NHTSA EMS Office
- And the creation of Standards
- With input from constituent groups
- And States

State and Federal Partnerships

- State Representation
 - Such as NCSEMSTC
 - And the State EMS Directors Association
- NASEMSO and Councils
- IAFF
- NAEMSE

State and Federal Partnerships

- State Representation, Cont.
- National Association of State EMS Officials
- National Association Of EMS Physicians
- National Association of EMTs
- National Association of EMS Educators
- National EMS Management Association

State and Federal Partnerships

- Federal Representation
- USDOT
- NHTSA
- HRSA
- CMS

Evolution of Standards

- Ambulance Standards
- Training Standards
- EMSC
- Agendas for the Future

Enter the 21st Century

- **NEW PLAYERS**
 - FORHP
 - NOSORH
 - PUBLIC HEALTH
 - HEALTH CARE BUSINESS
 - Hospitals to Clinics
 - Consultants to Manufacturing
- **NEW PRIORITIES**

Enter the 21st Century, Cont.

- **LEADING ISSUES**
 - MIH-CP a given
 - NASEMSO 2 year project to define and identify performance measures
 - Expediting Military to Civilian transition
 - EMT is one of top ten military certs soldiers are coming home with
 - Military transition, cont.
 - NAEMSE to evaluate Bridge programs across the country

Enter the 21st Century, Cont.

- **EBOLA**
 - EMS considerations
 - CDC specific Guidance now published
 - But PPE Access a problem
 - Rural facilities should discuss this NOW

So, Where are We Today?

- EMS now in FLEX and SORH program work
- JCREC created in partnership
- National Rural EMS Leadership Conference
- And On and On and On

- NOTHING CONSTANT BUT CHANGE IN EMS
- Check with your State EMS Office, NASEMSO, and the National Associations
