Funding for this webinar was possible in part by Cooperative Agreement #U14RH19776 from the Federal Office of Rural Health Policy.

The views expressed in written materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.

August 15th from 3:00–4:30 PM (Eastern)

Part 1: Introduction to Rural Landscape

August 16th from 3:00–4:00 PM (Eastern)

Part 2: Action Planning to Design Rural-Relevant Programs, Policies, and Research

INTENDED AUDIENCE: State Offices of Rural Health

WHAT: Generate shared understanding of the rural landscape to ensure rural-relevance of health policies, programs and research activities.

- Understand the key factors that influence health outcomes in rural communities
- Recognize the relationship among these key factors
- Apply a new framework & model to research, policy or program efforts
