

# Rural Health Grant Writing Workshop

**Join the National Organization of State Offices of Rural Health and the Kansas Office of Primary Care and Rural Health for a 1 ½ day rural health-focused grant writing workshop!**

This interactive training will explore how to identify funders and prepare a successful grant application, including: grant planning, developing an effective needs statement, writing goals and objectives, preparing work plans, identifying key personnel, and creating realistic budgets.

---

## Who Should Attend:

- Organizations and individuals (rural healthcare providers, clinics, hospitals, public health professionals, etc.) who wish to address rural health issues in their community
- Beginning grant writers seeking to understand the techniques to research and draft winning grant proposals

## Participants Will Learn How To:

- Understand the diversity of funding opportunities
- Research and identify potential funders
- Develop relationships with potential funders
- Write key elements of a proposal
- Package a professional grant submission
