NSAT is the education arm of the SETRC and delivers standardized, accredited, and affordable telehealth instruction.

The online Telemedicine / Telehealth courses instruct on the essentials of telehealth and prepare individuals to become valuable members of a telehealth team. A completion certificate with 0.3 CEU/3 credit hours for this course will be awarded when all Learning Outcomes Conditions have been met.

As an IACET Authorized Provider, HomeTown Health University (NSAT) offers continuing education units (CEUs) for its programs that qualify under IACET guidelines (www.iacet.org)

NSAT TeleHealth Courses

www.nsat.us

Telemedicine Presenter Course

- *designed so that its graduates will gain insights and skills in order to correctly and confidently present patients during virtual encounters with healthcare providers and a variety of specialists.*

Telehealth Coordinator Course

- *designed so that its graduates will gain insights and skills to successfully implement, coordinate, and manage a telehealth program.*

Telehealth Liaison Course

- *designed so that its graduates will gain insights and confidence to successfully serve as a leader, promoter, and marketer in the telehealth industry.*
