#powerofrural

National Rural
Health Day TM
Celebrating the Power of Rural!

IT'S NOT JUST A DAY, IT'S A MOVEMENT.

A Conversation on Rural EMS

Presenter:

Andy Gienapp

Emergency Medical Services

Wyoming Department of Health

Thanks for helping us grow from a day to a movement!

Rural EMS Issues

What does Power of Rural mean?

What do you want people to know about rural EMS?

What is the importance of positive messages and collaboration, education, innovation and communication in EMS?

What is the EMS Tactical Agenda for the Future?

Where can EMS providers and other leaders go to find resources and learn more about EMS?

Thanks for helping us grow from a day to a movement!
