Connect Americans Now: Bridging the digital divide for rural and underserved communities

Date: Wednesday, August 5, 2020

Time: 3:00 – 4:00 PM (Eastern Time)

Intended Audience: State Offices of Rural Health and their stakeholders interested in forming health partnerships with the community development sector to impact rural health initiatives.

During the session, we will discuss:

- The impact of the digital divide on every aspect of life for rural Americans and the urgency for action, particularly in the time of COVID-19.
- The Connect Americans Now coalition and our mission to support technology neutral solutions to completely eliminate the digital divide.
- The commendable progress that has been made by policymakers to clear regulatory burdens to innovation, maximize spectrum resources, expand access to telehealth solutions, improve data and expand connectivity.
- The state of play for solutions to bridge the digital divide and actions Congress can take now to tackle this urgent problem.
- Feedback, questions, insights or anecdotes from NOSORH members.
