

New - HRSA Rural Health Clinic (RHC) COVID-19 Programs

[HRSA RHC Vaccine Confidence Funding Opportunity](#)

General Purpose	To improve vaccine confidence and counter vaccine hesitancy in rural communities where COVID-19 vaccine uptake lags in comparison to more populated areas. The program will address health equity gaps by offering support and resources to medically underserved rural communities.

Other HRSA RHC COVID-19 Program Opportunities

RHC COVID-19 Testing and Mitigation Program

General Purpose	Expanded on the success of the RHC COVID-19 Testing Program. Eligible RHCs will receive a flat payment amount of up to \$100,000 to help maintain and increase testing levels and establish and expand mitigation activities tailored to local community needs. The program builds upon HRSA’s Rural Health Clinic COVID-19 Testing Program.
Website	https://www.hrsa.gov/coronavirus/rural-health-clinics/testing
Funding Period	June 2021 - December 2022
Technical Assistance	Email National Association of Rural Health Clinics (NARHC) at rhccovidtesting@narhc.org or NOSORH at rhccovidtestinginfo@nosorh.org
HRSA Contact for Testing or Testing and Mitigation Programs	RHCCOVID-19Testing@hrsa.gov
Terms & Conditions	https://www.hrsa.gov/sites/default/files/hrsa/ruralhealth/rhc-testing-mitigation-terms-conditions.pdf
Resource	CDC Community Mitigation Recommendations

RHC COVID-19 Testing Program

General Purpose	Eligible RHCs received a flat payment amount of \$49,641.42/RHC to specifically support COVID-19 testing and testing related expenses in RHCs.
Website	https://www.hrsa.gov/coronavirus/rural-health-clinics/testing
Funding Period	May 2020 - December 2021
Technical Assistance	Email National Association of Rural Health Clinics (NARHC) at rhccovidtesting@narhc.org or NOSORH at rhccovidtestinginfo@nosorh.org
