INVITATION 

#powerofrural

INVITATION TO PARTNER

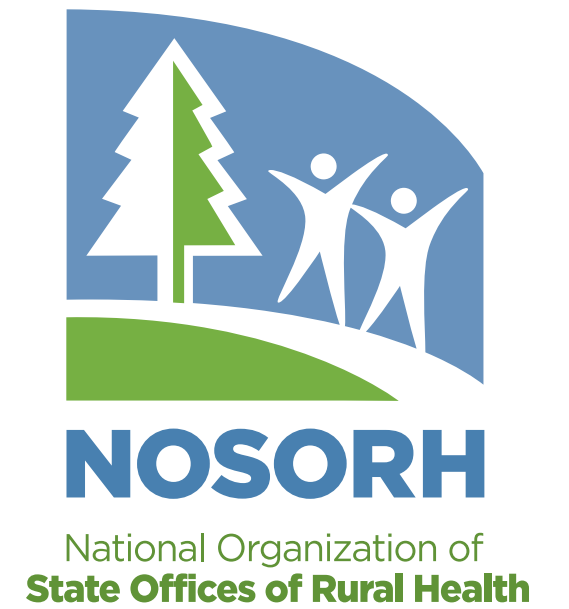

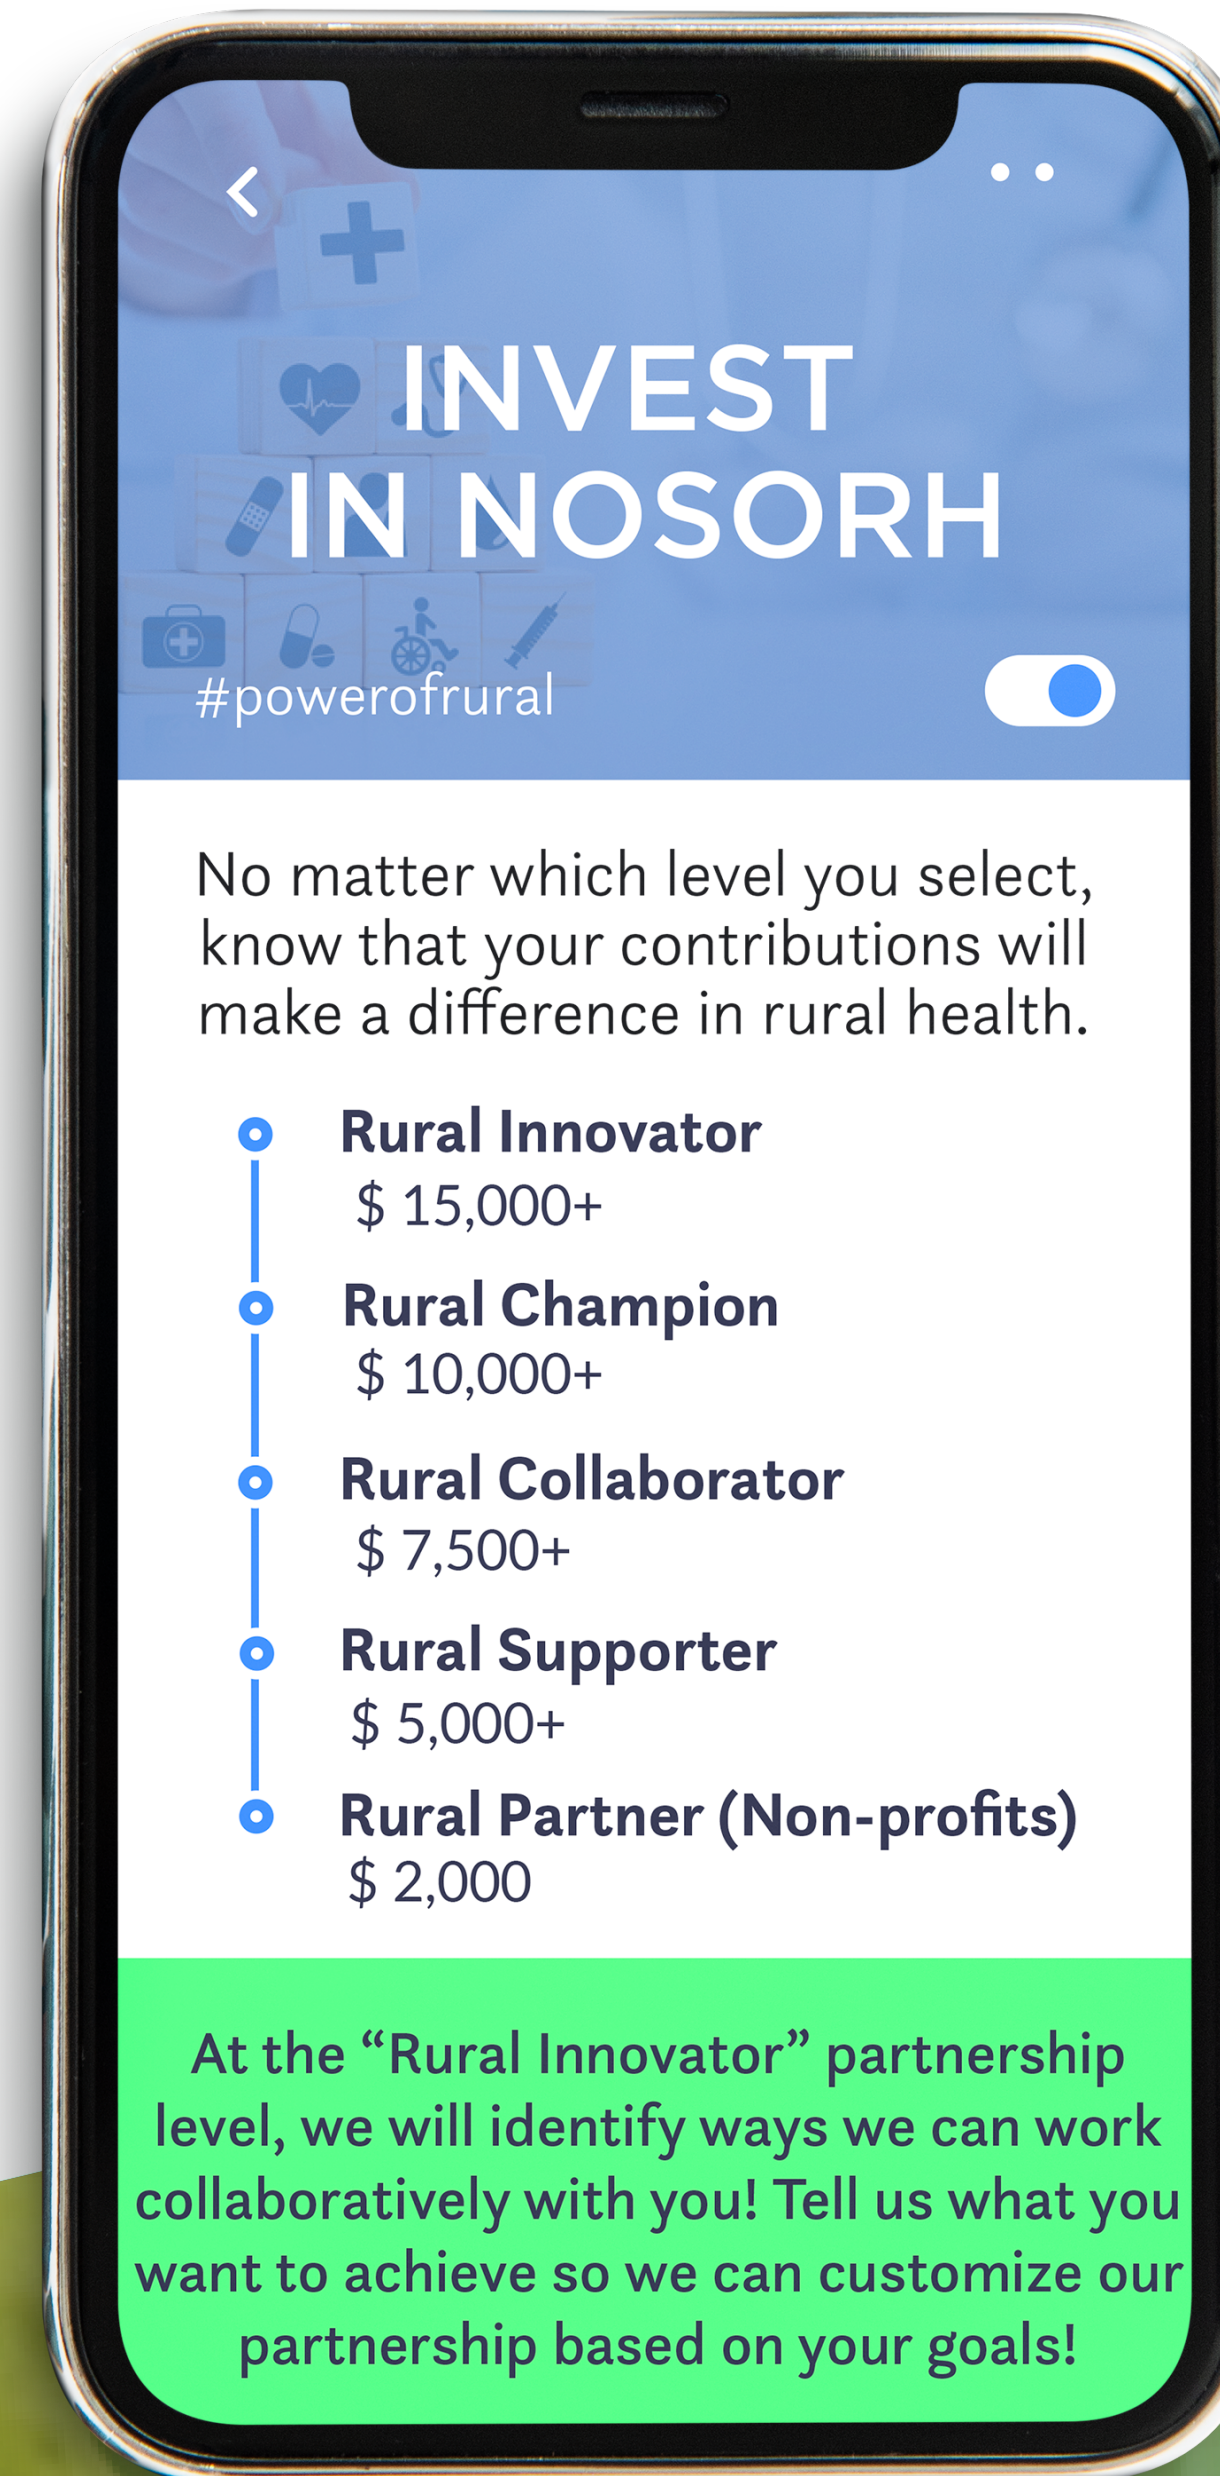

You're invited to collaborate with NOSORH and invest in NOSORH's mission! As the membership association of the 50 State Offices of Rural Health (SORH), NOSORH supports their work and that of their stakeholders with a mission to improve health in rural America through advocacy, leadership development, education and vital partnerships. When you partner with NOSORH, you're joining a "Power of Rural" movement that is helping to support and honor those working to address the unique health challenges facing rural America.

NOSORH has a track record of meaningful collaboration with investing partners. We tap into their expertise, promote their mission and work, develop revenue-generating strategies, and engage them as thought partners as we explore services for SORH, rural communities and providers.

We want to grow collaboration with organizations that share our commitment to the 50 SORH and their stakeholders!

INVITATION TO PARTNER

NOSORH is thankful for the continued support that our partners have given us over the years. We recognize that one size does not fit all, and we sincerely hope that you will find an investment level that fits your mission and the means that make sense for you.
