

The Georgia Health Policy Center and the National Organization of State Offices of Rural Health present

These Historic Times: Leveraging Resources to Do Big Things

Join Jill Oesterle and Shannon Chambers, from the National Organization of State Offices of Rural Health, to learn about how resources and stories can be leveraged to expand organizational reach and services.

This webinar will help participants:

- Improve their positioning for expanded impact
- Tell their organizational story
- Identify future resource-building opportunities
- Leverage resources for future growth

Is your organization
positioned to grow its impact?

Learn how to strengthen
your story and seize
future opportunities.

Wednesday, July 13
3 p.m. ET
