

# The Impact of Rural Health Investments in For All Seasons

Beth Anne Langrell  
President/CEO

# Key Takeaways

- Rural Maryland Council investments have allowed us to pilot innovative programs with large, upfront investments. Each program that has received funding has been sustained after the initial grant period, which has ultimately increased the agency's overall capacity.
- The Rural Maryland Council has demonstrated trust in the organizations it funds, allowing us to pivot when external challenges change the landscape to ensure that community needs are met.
