

Community-Based Division Overview

December 6, 2022

Amber Berrian
Deputy Director
Federal Office of Rural Health Policy (FORHP)

Vision: Healthy Communities, Healthy People

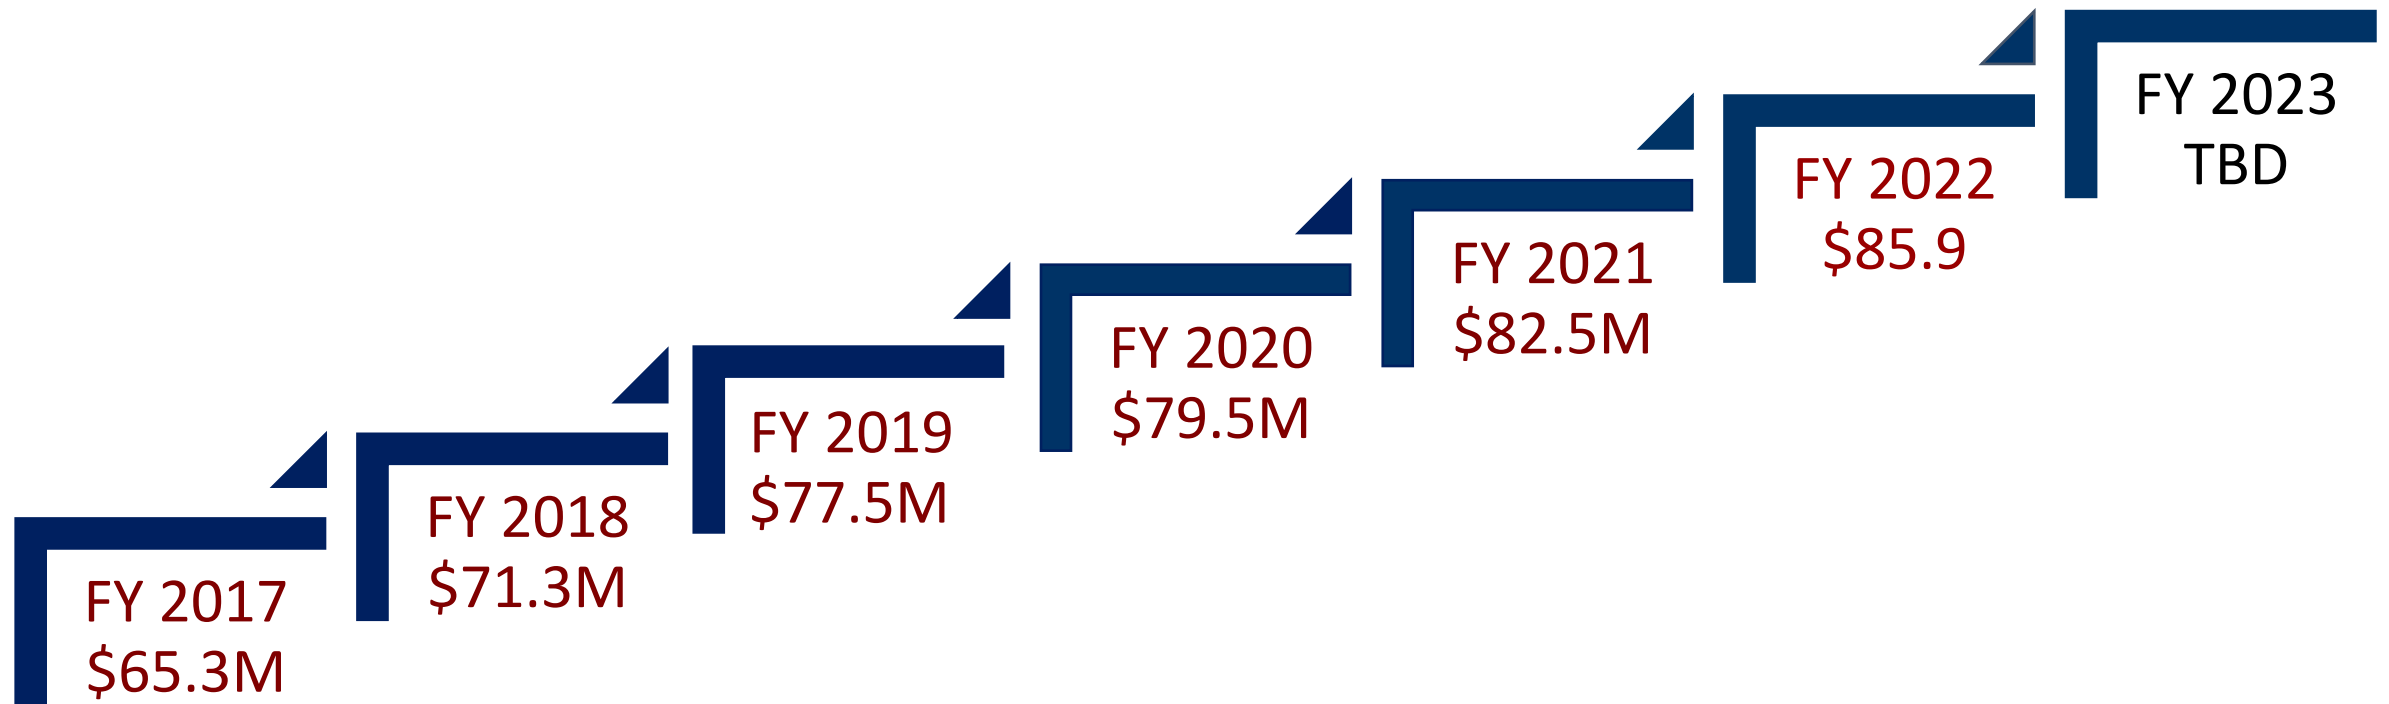

Community-Based Division Overview

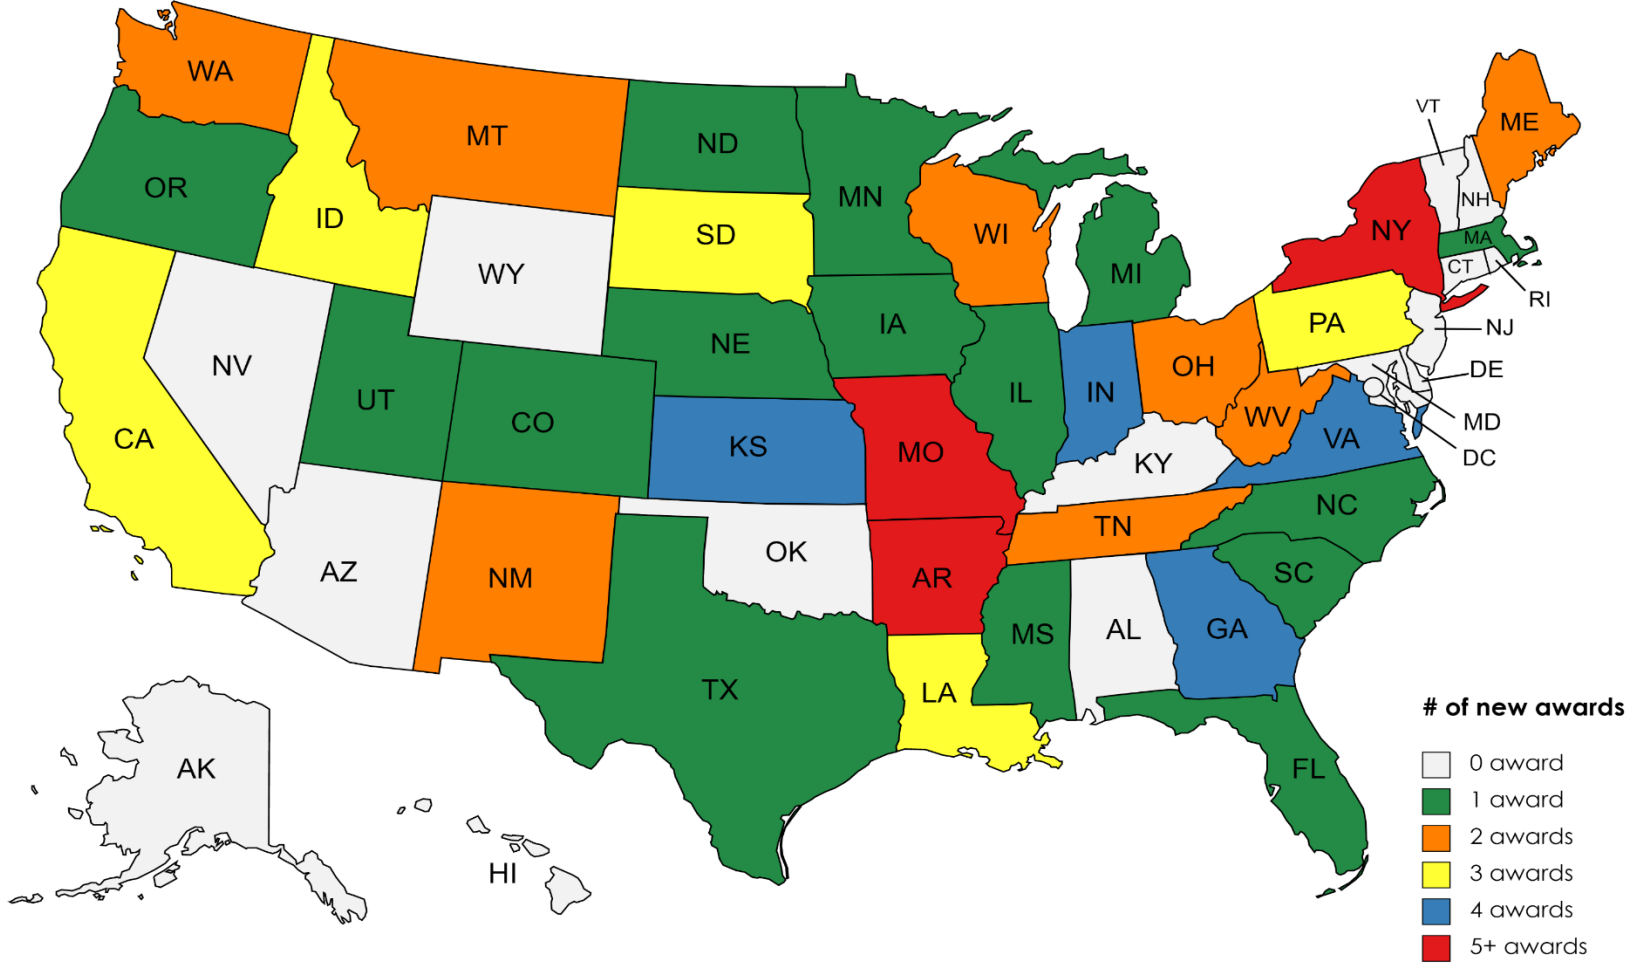

The Community-Based Division (CBD) grant programs provide funding **to increase access to care in rural communities and to address their unique health care challenges.** Most of CBD's programs require community organizations to **share resources and expertise using evidence-based models of care in networks of two or more health care services providers.**

Community-Based Division Budget (Outreach Line)

Community-Based Division FY 2022 Awards
